

Arkema odor neutralizer for gas odorants

BENEFITS OF O-SCENT

- Efficiently and rapidly neutralizes any type of gas odorant smell
- Masks airborne odors with a fresh scent
- Decontaminates tools, odorizer parts, clothing and more

WATER-BASED

- Non-flammable and biodegradable
- Arkema can train your operation and safety personnel on the proper use of O-Scent neutralizer.

- O-Scent can be part of your mandatory emergency spill response protocol.
- O-Scent neutralizer is a key component of odor control and spill management.

SELECT THE RIGHT GRADE

O-Scent OC is a water-based solution, ready to use in case of gas odorant spills or airborne odor release. It is to be used above 32°F (0°C).

O-Scent Antifreeze is an innovative product that provides an effective odor control in winter conditions. The alcohol containing product is non-flammable and can be used when temperatures are below 32°F (0°C), down to -20°F (-29°C).

O-SCENT NEUTRALIZER MUST BE SPRAYED

The finer the mist, the better

Available in 24 oz. spray bottle and 1 gallon jug
